November 11, 2015 Response to Eric's November 12th letter to Dr. Holly**

November 14, 2015

Dear Dr. Holly,

Thanks very much for summarizing all the useful hyperlinks in a easy_to_read format in your reply. With this sharing, more peers who worked in the Wu Hou primary healthcare transformation project could learn it and more people in China will know the excellent work you have done in SETMA.

Best Wishes,

Eric Liu | 刘泓豆
