As a writer, it is always pleasant to hear that someone liked what I wrote. <http://www.jameslhollymd.com/In-The-News/pdfs/fearlessly-facing-the-future.pdf>, this is the link to the article to which you refer and which remains posted on our website at www.jameslhollymd.com. The following is a brief trip around our website:

- The article to which you referred, along with 289 other articles written about SETMA, is on our website under **In The News** at the following link: <http://www.jameslhollymd.com/in-the-news/>.
- There is another section entitled “**Letters**” at <http://www.jameslhollymd.com/letters/> which contains correspondence about important issues.
- Under **Your Life Your Health** at <http://www.jameslhollymd.com/Your-Life-Your-Health/All-Articles> are the articles I have written for a local newspaper. I have written an article a week for the past twenty years and they are all posted there.
- At the following link: <http://www.jameslhollymd.com/transforming-your-practice> there is the material I prepared for **CMS’ Transforming Clinic Practice Initiative (TCPI)**.
- At the following link is our extensive material on **Patient-Centered Medical Home** (SETMA is accredited by all four agencies accrediting PC-MH in America. We are the only practice in the country which has all four accreditations) <http://www.jameslhollymd.com/medical-home>.
- At the following link our **Public Reporting by Provider Name** on over 250 quality metrics are displayed publicly for 2009-2017: <http://www.jameslhollymd.com/public-reporting/public-reports-by-type>.
- This is a recent **ten-part summary of our first nine years as a PC-MH**: <http://www.jameslhollymd.com/Your-Life-Your-Health/pdfs/pc-mh-setmas-first-nine-years-continuity-creativity-consistency.pdf>.
