

James L. Holly, M.D.

July, 2014 National Nurse Practitioner Symposium a Keystone Colorado

Yesterday, July 10, 2014, Norma Duncan and I made a presentation in Keystone Colorado. The following link is to our presentation

You would have been, as I was, proud of Norma and of her representation of your work to this national symposium. Thank you, Norma, for your representation of SETMA and of our work. One of the great strengths of SETMA is our CFNP Corps.
