Dr Holly,

I believe you were already spoken to about me wanting to a summer preceptorship with you this summer after my first year of medical school at UTMB. I want to thank you for agreeing to be my preceptor and taking the time to do so. UTMB will need a copy of your curriculum vitae in order for me to register for the course. If you wish, you can email your CV to Dr. Karen Szauter who is in charge of the internal medicine preceptorships. Her email address is kszauter@utmb.edu or you can also send it to me and I will forward it to her. Again thank you very much.
