

James L. Holly, M.D.

Letter To Mrs F. C. Pannill, the children and grandchildren of Dr. Pannill

To Mrs F. C. Pannill, the children and grandchildren of Dr. Pannill:

Recently, I saw the Memorial to your father in the UT Health San Antonio Long School of Medicine Mission Magazine from 2012. I posted it on my Face Book page and collected other pieces in my files about your father. If you use Face Book, you can see that at <https://www.facebook.com/james.l.holly/posts/10211686611175470>

Because Face Book is hard to use as a historical archive, I put this material in a word file and posted it to SETMA's website. The following is the link:

I hope in some small way, this brings pleasure to each of you and to your mother and grandmother. I think of your father often and continually take steps to promote his legacy and memory in my small way

On a personal note, this was published by UT Health San Antonio this week:

Sincerely yours,

James (Larry) Holly, M.D.
