Dear Dr. Holly,

My name is Jill Sutton and I am the executive director for the Texas Medical Group Management Association (Texas MGMA). You were recommended to me by one of my committee members who heard you speak at the February HIMSS meeting.

I am interested in finding out your availability to give a presentation on The Importance of Data Analytics in Physician Practices at our Fall Conference. The Texas MGMA Fall Conference will be held in San Antonio, Texas on Friday September 25. At your earliest convenience, please let me know if you are interested and available to give this presentation.

Thank you,
Jill
