Thank you Paul. You are the conduit for the international visits to SETMA. The following link gives a brief introduction to SETMA: <http://www.jameslhollymd.com/in-the-news/vital-signs-examiner-publication>. The following are brief summaries of several visits to SETMA.

## **Chinese**

The following link is to the contents of the notebook we prepared for the Mainland Chinese delegation that visited SETMA in August, 2014: <http://www.jameslhollymd.com/Presentations/participants-and-notebook-contents-for-eight-member-chinese-delegation-visit-to-setma>. This material is now being translated and taught to Chinese physicians.

## **Methodist Healthcare Ministries of South Texas**

The following is the response of a 15-member team that visited SETMA April 3, 2015

“Hello Dr. Holly: We are so grateful for the time and information you and your Team so generously shared with us. We had much to talk about on the way home and we are still processing. We are literally awe struck by the system you and your Team have perfected for timely, efficient and effective delivery of care. We are looking forward to you coming to San Antonio, touring our clinics and meeting with our Leadership. Thank you for the additional links/information you sent me. I have forwarded it to our Integrated Care Task Force. With your permission we will be contacting you and your Team in the near future for clarification on some issues. Thank you again. Kathryn Jones LCSW Director of Behavioral Health Services”
