

James L. Holly, M.D.

President of UI Health San Antonio's Response To Letter to AAMC President and CEO

From: "Henrich, William L" <henrich@uthscsa.edu>

Date: June 28, 2017

Subject: RE: A follow-up from the 1970 AAMC Planning Meeting

Dear Larry,

Thank you for being so kind in your reference to me. And thank you for your reminders about the central place medical students play in the lives of our health related institutions. You have been and are the best example of a committed, engaged and constantly rigorous professional, always advocating for your patients. I am proud (and our beloved SOM is proud) to know be associated with you and Carolyn.

With great respect, Bill
