Richard Cohen's November 11th response to SETMA's work with Chinese

Richard Cohen, PhD, Chief of Mental Health Services, YAI/National Institute for People awaits Disabilities (NIPD) -- YAI.org

Follow-up to our meeting -- Primary Care in China -- SETMA's model of care and the 2014 Notebook Contents

Dr. Holly,

Can I be somewhat informal regarding my response?

Using some of my younger dedicated and cool staff's vernacular....

👊💎 ✨YOU ROCK ✨ 👊💎

You really do the work and you are a big shot in the arm for us! Thank you and remember....
