SETMA's Accreditation Team

Yesterday, July 10, 2014, SETMA's Accreditation Team concluded SETMA's second re certification by AAAHC. In addition to this concluding a 53-week cycle of accreditation by all four organizations, it represents the first time I have not been present for a site visit.

Since its formation a year ago and led by SETMA's Director of Operations, Margaret Ross, the team has continued to grow and improve. The team consists of:

Margaret Ross
Jon Owens
Jayne Bryant
Terese Bailey
Pat Crawford
James L. Holly

They were ably assisted by Muhammad Aziz, Syed Anwar, Richmond Holly and Richard Bryant. Thank you all.

The Accreditation team was praised by the AAAHC survey team and I want to praise them. Their ability to perform successfully and excellently, independently, bespeaks well of SETMA's maturity and of SETMA's future. It has always been our desire to make SETMA stable regardless who leaves. This is a big step toward that goal.

Thank you all.
