## SETMA's Notebook Prepared for: CMS and ONC Co-hosting a Meeting on "Health IT to Support ACO and Group Reporting"

Thursday, April 23, 2015  
8:30 A.M. - 5:00 P.M.

Patriots Plaza III Conference Center  
355 E Street, SW  
Washington, DC 20024

CMS and ONC are bringing together stakeholders to:

- Identify desired health IT capabilities to support quality and program reporting needs for ACOs and other group reporting programs to improve health care and quality.
- Define a plan for achieving and implementing the technology and policy solutions for identified needs on a national scale.

There will be four breakout sessions directed toward:

- Provider Feedback and Engagement
- Data Capture
- Data Aggregation
- Multi-Payer Reporting
- Inside the front cover of the note book, *Vital Signs* publication:  
<http://www.jameshollymd.com/in-the-news/vital-signs-examiner-publication>

The following are SETMA's solutions for these tasks:

- *The Primary Care Team: Learning from Effective Ambulatory Practices (PCT-LEAP) Performance Measure Worksheet* – Robert Wood Johnson Foundation\_  
<http://www.jameshollymd.com/letters/Robert-Wood-Johnson-Foundation-PCT-LEAP>

This is a copy of SETMA's submission to the Robert Wood Johnson Foundation for SETMA's participation in the LEAP Study conducted by the MacColl Institute. This material covers data aggregation and principles of quality metrics and their limitations.

- ***The Future of Healthcare Innovation and Change – SETMA's Model of Care – Patient-Centered Medical Home*** <http://www.jameslhollymd.com/the-setma-way/setma-model-of-care-pc-mh-healthcare-innovation-the-future-of-healthcare>

This is a description of SETMA's Model of Care which describes the five principles of that model and it describes SETMA's data capture, and provider Feedback and engagement.

- ***ACO Quality Measures Performance Took and A New Tool for Assessing Depression in all Patients 18 & Older*** <http://www.jameslhollymd.com/epm-tools/Accountable-Care-Organization-Quality-Measures-Performance-Tool-Tutorial>

Specifically addresses ACO Measures Capture and Aggregation

- **Value-based Payment models, Last Group of Questions:** <http://www.jameslhollymd.com/Letters/value-based-payment-models-questions-for-the-industry-health-leader-media>
  1. [Why is capitation with fixed monthly payments a viable value-based payment model?](#)
  2. [Does capitation give physician practices a transformational edge by allowing flexibility to redesign care crafted to the local market?](#)
  3. [How can you use PCMH to generate value-based payment opportunities and revenue gains?](#)
  4. [Does EMR-based tracking of quality metrics help support advancement and adoption of evidence-based medicine?](#)
  5. [Mindset shift: A value-based healthcare industry will be financially lean relative to the healthcare industry's longtime volume-based business model. How do you convince physicians to embrace value-based care and payment vs. volume-based care and payment?](#)
- **Value-Based Payment Models, Questions for the Industry, HealthLeaders Media, Answers by James L. Holly, MD, April 2015** <http://www.jameslhollymd.com/Letters/pdfs/value-based-payment-models-questions-for-the-industry.pdf>

**Eight questions about value-based payment models:**

1. [What are the key factors for physician practices to consider when weighing involvement in value-based payment models?](#)
2. [Industry-wide, gauge the trend for physician-practice uptake of value-based payment models?](#)

3. [How do you organize physician practices to embrace value-based payment models? At physician practices, are there particularly daunting hurdles to adoption of value-based payment models?](#)
4. [At SETMA, how have your clinical models of care changed to match value-based payment models?](#)
5. [At SETMA, have value-based payment models driven down service volume? If utilization rates have declined, what impact has that had on the practice? If there has been a negative impact, did you find ways to offset that impact?](#)
6. [At SETMA, what are the prime ways you are using data in conjunction with value-based payment models?](#)
7. [How does changing from “volume” to “value” payment models affect measurement of patient experience of care?](#)
8. [What are the essentials of value-based payment reform?](#)
