Thank you for helping us win China national best Chronic disease management platinum award

Below our friend, Jingwei liu, announces his group having won the China National Best Chronic Disease Management Platinum Award and his acknowledgement that the Wuhou PC-MH solution is from SETMA

The third picture below is picture of our visitors from China with SETMA's 9-Volume Transforming Clinical Practice Initiative (TCPi) which they hand carried on the plane trip back to China. They have SETMA's permission, with no cost, to translate into Chinese and to use in their work.
