

SETMA's Philosophy of Patient Care

Firmly in the providers hand, the baton

~ the **CARE & TREATMENT** plan ~

*must be confidently and securely grasped
by the patient, if change is to make a difference,
8,760 hours a year.*

At Southeast Texas Medical Associates,
we are with you every step of the way.

Guiding your healthcare experience,
respecting your choices, supporting your
course of treatment, encouraging a
partnership with our healthcare
professionals and providing unparalleled
healthcare and knowledge so that you
can grasp the tools you need for
every stage in life. Because at SETMA,
we understand the race is yours to run
and your health is the only care.

Dear SETMA,

*I wish to express my gratitude to all those
who aided in the diagnosis and treatment
of Abby. Without your knowledge and
unparalleled care, our daughter would not
be celebrating her first birthday.*

*I am excited to take the "baton" as you
call it, to take control of my daughter's
healthcare and the plan for years to come.
We look forward to sharing more eventful
moments with you as our family continues
to grow.*
