

*Healthcare where your health is the only care.*

*You know how to enjoy our  
best natural resources.*

***Have you discovered the best  
resource to tackle diabetes?***

When it comes to diabetes, today's medicine offers unlimited hope and potential for a long, full life. Providing quality resources for our diabetic community means constantly researching and discovering, and bringing those answers to you.

That's why SETMA partnered with Joslin Diabetes Center, the world's premiere diabetes research and clinical care organization. Here at Southeast Texas Medical Associates, we bring together advanced technology, the latest treatments and an abundance of educational and support services. Teamed with our public reporting of physician performance, SETMA is dedicated to meeting the needs of our patients. So when you're searching for answers, remember, they're right here at home.
