Subject: Results of your application to the CMS Innovation Advisors Program

Thank you for applying to the CMS Innovation Advisors Program (IAP). We received over 900 applications, and the selection was very competitive. I regret to inform you that we are unable to offer you an IAP award.

We anticipate that Cohort 2 will be selected in June 2012. Unless you request otherwise, your application will be considered for that competition; there is no need to update your current application or submit a new one.

Sincerely,

Marcia Mask
