

Transformational Patient Care in Southeast Texas

Southeast Texas Medical Associates (SETMA) | Southeast Texas
409-833-9797 | setma.com

Southeast Texas Medical Associates (SETMA) is a nationally recognized multi-specialty practice, transforming the patient experience to deliver unparalleled care. Committed to clinical excellence, SETMA is one of the first to publicly report how its medical providers performed based on 250 quality standards. These can be viewed, along with all of SETMA's awards, philosophy, and nationally accredited patient-centered model of care at www.setma.com.

SETMA is proud of its affiliation with The Joslin Diabetes Center, which is affiliated with Harvard Medical School. With premier primary care, specialty clinics, and round-the-clock hospital care, SETMA is a leader in the transformation of health care in southeast Texas and the nation.

SETMA welcomes patients and health care provider inquires. For information, or an appointment, call 409-833-9797.

*Most providers just focus on making patients better.
 We take it one step further and focus on making ourselves better.*

We're proud to be a part of
LEADING the way
to better healthcare.

SETMA's Model of Care is a team effort. Pictured from left: Syed Imtiaz Anwar, M.D., partner; Jonathan Owens, clinical systems engineer; Richard Bryant, chief operating officer; James L. Holly, M.D., CEO; Muhammad Aziz, M.D., managing partner; and Richmond E. Holly, CIO

Recognized for being a national leader in healthcare quality you can trust your healthcare to SETMA. Here at Southeast Texas Medical Associates, our physicians and staff are dedicated to providing quality healthcare for our community.
