* The rating scale used: Excellent (5), Very Good (4), Good (3), Fair (2), Poor (1), and N/A (no value).

Speakers are compared to an overall speaker average regardless of the order of presentation.

Education Session Evaluation

Session #	If you feel any of the presentations were unbalanced please elaborate:	How can the educational aspects of this activity be improved?	Overall comments about this session:
134		opportunity for further discussion	
134		So much good information, too little time Speaker had to talk fast - very good work inspirational	Room 330 difficult to find - confusing
134			Best one I saw!
134			Best presenter that I attended so far.
134			Different content was from what I expected. However, this was an inspiring session. It is so refreshing to see a "doctor" is really about: care for his/her patient.
134			Excellent - one of 1st presentations I have ever sat in.
134			Excellent ideas. This is where we have to go with healthcare.
134			Exceptional, outstanding...inspiring.
134			Fantastic!
134			Great, real world comments from a committed physician. A rare treat!
134			It was wonderful to see exacting metrics used to improve the quality of care for patients. I will use the "steps" in my practice.
134			More sessions like this please!
134			one of the best presentations at NIMSS!
134			One of the best, most inspirational speakers ever heard!!
134			Outstanding Should have been a keynote! Mandatory attendance!
134			Speaker was excellent, had great insight and "passion" for his subject.
134			Very inspirational - unexpectedly so. Both in terms of an expression of professional & technical excellence but also in terms of exercising a humane approach to healthcare.
